

## **REITBuyer.com Online Investment Broker with Educational Material, Ticker Symbol Tutorial and More**

**Members can utilize a library of educational and research tools to assist them as they prepare to make the best investment decision for their financial situation**

Detroit, MI – The new online broker, REITBuyer.com officially launched their website in February, 2009, to give real estate investors information for researching and investing in REITs. They are proud to announce that the site is now beta tested and fully operational for investors to purchase REITs to add to their investment portfolio.

The site contains all the information an investor needs to learn about REITs. The information is clear and easy to understand so that even beginners can learn and invest.

The unique online Assessment Wizard is an easy to use investment tool designed to help investors choose an account type and investment that is suitable for their specific goals based on their time horizon and risk tolerance.

The Savings Calculator is an easy to use tool to help determine an appropriate monthly amount to contribute toward an investment goal.

Ticker Symbols were created nearly 150 years ago to give investors a snapshot of a stock's current activity. Though Ticker Symbols have been in existence for a long time, many people still have trouble understanding how to read them. REITBuyer.com has developed an easy to understand tutorial about how to read a Ticker Symbol.

As part of the robust educational tool box, REITBuyer.com offers its members monthly real estate investment webinars with expert financial advisors. The webinars cover a broad range of topics in order to increase investment knowledge to assist in making a sound investment decision for individual financial situations.

As part of their continued commitment to provide educational tools, REITBuyer.com offers recommended reading for real estate investors. Their team of advisors and money managers has developed a list of books for investors to consider reading to help them make wise investment decisions.

Real estate investors can learn about REITs at the REITBuyer.com. REITbuyer.com is an online brokerage information site specializing In REITs and Real Estate Mutual Funds – The World's first and only site dedicated to REITs Real Estate Mutual Funds. This is a place for the small investor to own a piece of world class real estate.
